Zbog procesa varenja pri izradi završnog sedla , ovaj element se naručuje i isporučuje u dve varijante koje su date u tabeli ispod

Due to the process of welding in the final saddle production, this element is ordered and delivered in two variants given in the table below

Površinska zaštita Surface protection	Oznaka Mark	Oblast primene Field of application	STANDARD
Topla galvanizacija cinkom Hot dip galvanized	TC	Spoljna oblast External field	SRPS EN ISO 1461
Plastifikacija u RAL boje Plastification in RAL	P	Unutrašnja oblast Internal area
